

*Kevin Dishmon* | 25

Grad student, loves soul music, Marvin Gaye and watching clouds float by. Believes in literacy, forging new paths and running fast. College registrar and veterans affairs official—empowering others to improve their minds and lives through the pursuit of higher education.

Teaching today to shape a new tomorrow...

*Amsterdam* | BALLOON 8

Loves soulful style, refined riding rhythm and watching urban architecture float by. Believes in smart sophistication, forging a new path in modern bicycle design and rolling fast on fatter tires—Schwalbe balloons have natural suspension and greater roll.

Today's icon of old-world elegance and new world design...
